INDIA: THE WORLD'S NEXT MANUFACTURING POWERHOUSE

India is rapidly emerging as a global hub for competitive, resilient and technology-driven manufacturing. with manufacturing poised to contribute.

\$ 1 trillion to the economy by 2030, and with government initiatives such as make in India, PLI schemes, and massive investments in digital infrastructure, the country is attracting global OEMS and supply-chain leaders at an unprecedented scale.

India now ranks among the top destinations for high-tech manufacturing, supported by a workforce of over 70 million industrial professionals, a fast-growing automation market, and one of the world's largest consumer bases.

This is the moment for companies supplying machinery, automation, software, and advanced manufacturing solutions to expand their footprint – and the future factory expo 2026 is the platform built for that purpose.

Co-located with smart manufacturing & enterprises conference and awards, the future factory expo 2026 is a full ecosystem for knowledge sharing, collaboration, and innovation.

MANUFACTURERS TODAY FACE A PERFECT STORM

Future Factory Expo 2026 – Organised by Smart Manufacturing & Enterprises (SME) and presented by ASAPP Info

Global Group – has been created to bring solution providers and decision-makers together to solve these challenges. It is the only event in India that unites **hardware + software + automation + services across the manufacturing value chain** – enabling companies to build the resilient, efficient and intelligent factories of tomorrow.

WHY THE INDUSTRY NEEDS THE FUTURE FACTORY EXPO

- Global uncertainties disrupting supply chains
- The urgent need for automation and digital maturity
- Rising pressure on sustainability and quality compliance
- Increasing competition demanding faster, smarter production

EXPECT HIGH-QUALITY BUSINESS VISITORS FROM ACROSS INDIA'S MANUFACTURING ECOSYSTEM

WHO WILL VISIT?

- CXOs, plant heads, production & operations leaders
- Procurement, sourcing and SCM decision-makers
- CIOs, CTOs, IT/OT transformation leaders
- Engineers in automation, robotics, QA/QC, and maintenance
- Leaders from warehousing, logistics and distribution
- Sustainability and green manufacturing heads

This is a curated audience focused on buying, sourcing and partnerships.

HOW VISITORS WILL BENEFIT

- Discover new machinery, automation systems and digital solutions
- Modernise production lines and reduce operational bottlenecks
- Learn how AI, robotics, MES, IIoT and digital twins drive efficiency
- Benchmark best practices from award-winning factories
- Network with technology leaders and industry innovators
- Attend the Smart Manufacturing & Enterprises Conference, to know how India can build Manufacturing Resilience Across the Value Chain for Global Competitiveness
- Celebrate excellence with the Smart Manufacturing & Enterprises Awards, awarded for Fastest Growing Engineering Companies, Product Innovation, Green Factory, and Emerging Start-ups, among others

The result: upskilled teams, new partnerships, and real solutions they can implement.

WHO WILL EXHIBIT?

The Future Factory Expo welcomes exhibitors from:

- **Machine Tools & Industrial Machinery Manufacturers** (CNC Machines, Lathes, Milling & Drilling Machines, Grinding, Cutting, and Welding Equipment, Presses, Forging & Forming Machinery, Sheet Metal & Fabrication Machinery, Additive Manufacturing / 3D Printing Machines, etc)
- **Automation, Robotics & Control Systems** (Industrial Automation & Motion Control, Robotics, Cobots, and Process Automation, IIoT Platforms, Sensors & Machine Vision, AI, Data Analytics & Predictive Maintenance, etc)
- **Electrical, Power & Energy Systems** (Motors, Drives, Switchgear, Transformers, Power Electronics, Control Panels & UPS, Industrial Energy Management Solutions; Renewable Energy & Smart Grid Integration, etc)
- **Process & Fluid Handling Equipment** (Pumps, Valves, Compressors, Actuators; Boilers, Heat Exchangers, and Process Systems, Industrial Cooling, HVAC & Air Management, Filtration, Vacuum & Hydraulic Systems, etc)
- **Logistics, Warehousing & Material Handling** (Conveyors, Cranes, Forklifts, and Hoists; AGVs, AMRs & Smart Warehousing Systems, Industrial Packaging & Supply Chain Software, etc)
- **Materials, Components & Industrial Consumables** (Bearings, Gears, Fasteners, Couplings, Seals, Industrial Lubricants, Coatings, Adhesives, Advanced Materials, Alloys & Composites, etc)
- **Sustainable & Green Manufacturing Technologies** (Energy-efficient Equipment & Cleantech, Wastewater Treatment, Carbon Capture & Utilisation, Waste Heat Recovery, Emission Control Systems, Green Hydrogen & Biofuel Technologies, etc)
- **Start-ups** (Industrial Automation & AI Start-ups, Robotics, Mechatronics & Smart Sensors, GreenTech, CleanTech, and Energy Start-ups, etc)
- **Safety products** (Helmets/hard hats, goggles, face shields, dust masks, earplugs, gloves, boots, Fire extinguishers, Smoke detectors and fire alarms, Fire blankets, Emergency exit signs, First-aid, Hazard Control and Worksite, Emergency lighting, Communication devices, Ergonomic Aids, Disinfectants etc)
- **Industrial Infrastructure & EPC** (Industrial Parks, SEZs & Smart Manufacturing Clusters, EPC Contractors & Project Developers, Utilities, Water & Wastewater Systems)
- **Service Providers** (Consulting, Predictive Maintenance, Energy Management, Training and Digital Transformation Services)
- **Others** (State Industrial Development Corporations; Banks, Industry Associations etc.)

If your solutions empower the factory of the future – this is your marketplace.

HOW EXHIBITORS WILL BENEFIT

- Direct access to decision-makers with active budgets
- A powerful launchpad for showcasing products, innovations, and live demos
- Opportunities to educate buyers through tech talks, workshops and solution presentations
- Visibility among senior manufacturing leaders attending conference and awards
- Branding across a platform created by Smart Manufacturing & Enterprises magazine (54 years legacy)
- The credibility of ASAPP Info Global Group – organiser of multiple flagship B2B expos including Cement Expo (15 editions) and RAHSTA Expo (15 editions)

MOST IMPORTANTLY, EXHIBITORS GAIN A STRUCTURED ENVIRONMENT DESIGNED FOR HIGH-VALUE BUSINESS CONVERSATIONS, LEAD GENERATION AND LONG-TERM PARTNERSHIPS.

BE PART OF INDIA'S MANUFACTURING EVOLUTION

The Future Factory Expo 2026 is not just an event – it is the definitive meeting point for shaping India's next decade of industrial growth.

If your brand is committed to driving innovation, enabling efficiency, or empowering India's manufacturing competitiveness, your presence at this Expo is essential.

**Secure your space now
and lead the
transformation.**

ABOUT THE ORGANISERS: A LEGACY OF TRUST & CREDIBILITY

Established in 1972, Smart Manufacturing & Enterprises (SME) – formerly known as Industrial Products Finder (IPF) – stands as one of India's oldest and most respected industrial publishing brands.

Reaching over 200,000 readers every month through its magazine and website, SME engages a highly influential audience across key manufacturing sectors, including automobiles, electrical and electronics, machine tools/metal working, chemicals and pharmaceuticals, plastics and packaging, printing, railways, mining, steel, FMCG, and general engineering.

As a truly pan-India publication, SME is read by decision-makers who shape the industry: CEOs, MDs, CTOs, business owners, procurement heads, plant and production leaders, researchers, scientists, and technical authorities. Over the years, SME has

also curated industry-focused events such as the 3i EXPO & Conference and the IPF Industrial Excellence Awards, strengthening its position as a holistic industry enabler.

Powered by ASAPP Info Global Group—the publisher of SME and organiser of long-standing, high-impact B2B exhibitions such as Cement Expo and RAHSTA Expo—the Future Factory Expo is anchored in a legacy of deep sectoral expertise, strong industry connect, and credible event execution.

Exhibitors gain from this unmatched foundation: nationwide industry reach, trusted media platforms, and long-standing relationships with manufacturing associations, ensuring the right audience, enhanced visibility, and sustained engagement before, during, and after the event.

PAST EVENT GLIMPSES

CONFERENCE - PANNELS

L To R - Mr. Pratap Padode, Editor-in-chief, Smart Manufacturing & Enterprises (SME); Mr. Kishor Patil Hvac & Transport, India & Saarc Country Leader Trane Technologies, Mr Sudipta Ghosh Partner & Leader - Data & Analytics Pwc India, Her Excellency Ms. Andrea Kühn, Consul-general In Mumbai, Consulate General Of Republic Of South Africa, Mr.subba Bangera Director Pmmaj,Mr.n D Mhatre Director General (Technical) Itamma,Mr.raghavendra Mirji Sr Vp & Head - Power Infrastructure & Renewable Energy Godrej Electricals & Electronics.

L To R - Pratap Padode, Editor-in-chief, Smart Manufacturing & Enterprises (SME); Nitin Sawant, Partner, Ernst & Young; Rajeev Solanki, Dgm - Manufacturing Technology & Process Development Schneider Electric; Sunil Mehta, General Manager, E-f@ctory (liot) Promotions, Factory Automation & Industrial Division, Mitsubishi Electric India; Nc Chakrabarti, Vice President & Head- Smart Manufacturing, Reliance Industries; Zurvan Marolia, Senior Vice President, Godrej & Boyce; Khushal Kalra, Head - Smart Factory, Wipro Pari.

L To R Mr. Pratap Padode, Editor-in-chief, Smart Manufacturing & Enterprises (SME); Mr.seewraj Nundlall Counsellor (Investment & Trade), Consulate Of The Republic Of Mauritius; Mr. Deepak Panda, Sr. General Manager, Schneider Electric; Mr. Nandakumar K, Chairman & Managing Director, Chemtrols Industries; Mr. Sudipta Ghosh, Partner And Leader Industrial Products, Pwc India ; Mr. Sajiv Nath, Managing Director, Yokogawa; Mr. Sanjeev Dharwadkar, Sr. Director - Manufacturing, Sanofi.

L to R Pratap Padode, Editor-in-Chief, Smart Manufacturing & Enterprises (SME); Mr. Srihari YA, Sr. Manager - lioT Business Development, m2nxt - BFW subsidiary; Mr. Raveesh Reddy is the Vice President - Sales and Partnerships, Quixy;
Mr. Vasu Adunutula, CEO at Analysabl

I to r - Mr. Pratap Padode, Editor-in-Chief, Smart Manufacturing & Enterprises (SME); Mr. Shrikant Teli, Deputy General Manager, Stratasys; Mr. Anurag Srivastava, Senior Vice President, Findability Sciences; Mr. Sandeep Shukla, Regional COE Head - Digital Manufacturing, TATA Technologies; Mr. Priten Bhadrakumar Bangdiwala, Sr. VP & Head - Industry 4.0, Aditya Birla Group; Mr. Nimish Danani, Director - Consulting Services. Global Strategy, Sales and Operations, Hitachi Vantara

PAST EVENT GLIMPSES

OPENING CEREMONY

AWARD CEREMONY

Winner companies

- Alfavision Overseas India Ltd
- Aries Agro Ltd
- Hindustan Adhesives Ltd
- Hindustan Composites Ltd
- Hindustan Monomers Pvt Ltd
- Hindustan Monomers Pvt Ltd
- IST Ltd
- JSW Steel
- Kquality Pharmaceuticals Ltd
- Maharashtra Engineers
- Minimac Systems Pvt Ltd
- Mold-Tek Packaging Ltd
- Paramount Enterprises
- PGE Industries Pvt Ltd
- Pix Transmissions Ltd
- Raghav Productivity
- Enhancers Ltd
- Subtronics (India) Pvt Ltd
- Syncom Formulations India Ltd
- Thejo Engineering Ltd
